9. COMMENTS:

Consider the following:

- relationship to setting
- associated traditions or stories
- noteworthy features
- comparison with others in area

Ca. 1880 frame hall-parlor house (presently hidden beneath a large pole and metal equipment shed) is largely intact example of its kind. Includes large stone and brick fireplace, and enclosed corner stair with winders. Other buildings on the property are very recent, including the occupied mobile home.

10. Comprehensive Planning:

- Time Period(s)
- Cultural Concept

11. Evaluation:

- Settlement & Development
- Cultural Historic & Ethnic Issues
- Built Environment
- Material Culture
- not eligible
